Additional Information:

You can pay for your reservation by card when boarding the bus; Do not carry prohibited items (weapons, narcotic substances, cigarettes, medicines, etc.) and check the availability and validity of the necessary documents for the journey; Minors (up to 18 years old) can cross the border accompanied by parents or an adult with a notarised power of attorney from parents; Pets up to 5 kg are allowed. The obligatory condition of carriage is the presence of a portable container (with a hard bottom) and all necessary documents for crossing the border. A separate ticket for a neighbouring seat (indicating DOG/CAT) must be issued for the carriage of a pet. Be sure to contact the carrier 24 hours prior to departure at the contacts specified in the ticket to clarify the details of the trip, and the presence of veterinary control at the border crossing point; Children in arms up to 2 years old without a seat - free of charge; Dispatch service of the carrier works 24/7, please contact the phone number +37378348888. Please note that the carrier does not allow booking of front seats for children under 12 years old.

Departure point

The indicated place of the departure on the map may differ from the place indicated on the ticket. The departure place that is indicated on the ticket prevails. If you find a mistake, please contact the Help Line info@infobus.eu

Due to traffic jams, repair works, poor weather conditions, delays because of the border control, unpredictable vehicle malfunction, there may be deviations of the bus schedule. Such cases are the result of irresistible obstacles and the carrier cannot influence it. Also please pay attention to the fact that in such cases the carrier is not responsible for a passenger's delay for the transfer that is not organized by the same carrier.

General conditions of passengers transportation

*For your convenience please save the order during the trip

1. The passenger has to be on boarding no later than 30 min before the departure.
2. **The departure is performed according to the local time of the country.**
3. If the passenger misses the bus, the ticket is no more relevant and can be sold to another client.
4. The trip organizer can refuse the passenger to board the bus if he or she is drunk, has drug intoxication, is in dirty clothes or in condition threatening the trip for other passengers. In this case the ticket refund is not possible.
5. The passenger is responsible for compliance with the border, passport, visa and other regulations of the country the territory of which the bus passes,

as well as with the accuracy of the data indicated on the ticket. If the passenger violates these regulations, he or she are refused to continue the trip and the ticket refund is not possible.

6. To cancel or change data on the ticket please contact the Agency where the ticket was bought.

7. The ticket purchase works as the passenger's confirmation and absolute consent to the User agreement of supplier of the ticket and also to the rules of the carrier.

8. **The ticket is the document for the trip. Its forgery is punishable by law.**

9. While boarding the bus the personnel can ask you to show documents proving your identity and other confirmation documents if needed.

VERY IMPORTANT!!! If you doubt or are not sure that you are on the right place of the departure, or cannot find the carrier, that is indicated on the ticket, we strongly recommend to call the carrier's contacts indicated on the ticket, **but no later than 15 minutes before the departure.** If the carrier does not answer, immediately call the Help Line. **INFOBUS**

In case of non-compliance with these regulations, it is considered that the passenger is late.

Due to traffic jams, repair works, poor weather conditions, delays because of the border control, unpredictable vehicle malfunction, there may be deviations of the bus schedule.
